Lived Expertise Advisory Panel

As part of the Canadian Mental Health Association's continuous Quality Improvement Program, we are recruiting community members to participate in a new **Lived Expertise Advisory Panel**. This new panel will provide valuable input to enable us to integrate consumer and family perspectives into our programs and services.

To apply, applicants are asked to draft a letter answering the following questions:

- Why are you interested in taking part in this panel?
- How was your experience with the Canadian Mental Health Association?
- What could we do to improve services?

Send your application letter along with your name, address, phone number and email address to Christine Crough at ccrough@cmhahkpr.ca or mail or drop off to CMHA HKPR, 466 George Street North, Peterborough ON K9H 3R7.
