

May 26, 2020

To Whom It May Concern:

In response to the COVID-19 pandemic C.M.H.A. H.K.P.R. is in a precautionary and preventative stage. This includes intensified universal infection prevention, social distancing, and risk management activities.

In these precautionary measures, effective immediately C.M.H.A. H.K.P.R. will be extending the temporary halt for all in-person public education, training and events for the foreseeable future.

In the interim, our branch will still be offering high level mental health training for workplaces, schools and social groups utilizing online platforms. If you are interested in arranging online training for your organization, please feel free to contact us to explore possible training options.

We appreciate your understanding and look forward to working together.

Sincerely,

Jack Veitch
Manager of Community Engagement and Education
